The potential for innovation at IDC lies fundamentally in terms of solving real world problems.

From the year 2015 onwards, IDC started offering a four year, eight semester Bachelor of Design (B. Des) programme and a five year, ten semester dual degree B. Des + M. Des programme. However, the option of doing the dual degree B Des + M Des will be available only at the end of the 3<sup>rd</sup> year. **The total number of seats sanctioned for both these programmes is 30.** Both these programmes would be credit-based and thus offer the flexibility to progress at one's own pace. ## **Department of Design IIT Hyderabad**

The Department of Design at IIT-Hyderabad offers a vibrant environment for learning, practicing and exploring several facets of design. The department envisions to creatively engage in the space between technologies and people. This involves facilitating innovation in the key emergent areas such as Participatory and collaborative Design, Professional Ethics/ Sustainability, Product Systems and Services, Design and education, Wellness, Crowd sourced Design. The degrees offered in this department are M.Des. degree, B.Des. degree and PhD degree in Design.

The intention behind the B Des course curriculum proposed by the Department of Design, is to tackle an increasing need and demand both with the academic and the professional aspect of the discipline for undergraduate programs in Design. The BDes curriculum is designed as part of a four level structure leading to a gradual movement from general, foundational courses at level 1 to more specialized inputs at level 4. The program attempts to constitute both the 'general' dimension of design (breadth) and the specific dimensions (depth) through a 4-level structure which allows gradual focus areas to emerge. As the student moves upwards from level 1 to level 2, the student graduates to choosing between courses which offer different kinds skills from soft to hard. The courses at level 1 would help the students to choose the mix of skills they prefer to acquire. At level 3 it is hoped that the student has explored various mix of skills and is ready to fine tune a certain mix or a set of skills into a specialization. It is at this stage that the specializations emerge – Product Design, Visual Communication, User Experience Design, etc. At Level 4 the student employs all that has been gained in terms of skills and understanding and applies or uses them in independent projects. Level 4 is purely about design as a 'practice'. It provides real-life environments to provide the students with a taste of what it means to practice design.

However after the closing date, all applications are treated as FINAL. Requests for ANY changes in the application will be strictly NOT entertained.

It will entirely be the responsibility of the candidate to provide the correct information regarding the qualifying exam and category, and upload the correct documents in the required formats in the application form. Application forms, incomplete in any way, will be summarily rejected and the application will be considered invalid. The admitting institutes have the right to cancel, at any stage, the admission of a candidate in accordance with the rules and regulations in force, if it is found that any information provided by the candidate is incorrect or the application is incomplete.

## **APPLICATION PROCESSING FEES**

The B. Des application processing fee for applicants of all categories and genders is **Rupees 1000** (One Thousand Indian Rupees).

## SEAT ALLOTMENT

Three rounds of seat allocation will be conducted. However, once the seats are filled, the seat allocation will be closed. Seats will be allotted based on the applicant UCEED rank, category and choice of institutes. Selected candidates will be sent provisional allotment letters via their registered email, and will be directed to an online payment system to remit the Seat Acceptance Fee of Rs. 60,000 (Sixty Thousand Indian Rupees) for GEN and OBC-NCL and Rs. 15,000/- for SC/ST/PwD. The joint seat allotment will be governed by the following rules:

- If the selected candidates do not remit the seat acceptance fee before the given deadline or decline the admission, their application will stand cancelled. These vacant seats will be filled during the subsequent rounds of seat allotment.
- If an applicant is allotted his/her FIRST choice of institute, the candidate can either ACCEPT ('freeze') the choice or DECLINE the offer.
- If an applicant is allotted his/her SECOND or THIRD choice of institute, the candidate can opt to either ACCEPT ('freeze') the choice, or ACCEPT WITH THE OPTION TO BE CONSIDERED FOR UPWARD MOVEMENT ('float') the choice for subsequent round(s), if any, of the joint seat allocation.
- In the 'freezing' option, candidates ACCEPT the offer and indicate that they do not want to participate in further rounds of seat allocation. Such candidates will NOT be considered in subsequent rounds of admission.
- In the 'floating' option, candidates ACCEPT the offered seat and indicate that, if admission to an institute of his/her higher preference is offered, they will accept it. Else, they will continue with the currently accepted institute. Such candidates will be considered in subsequent rounds of admission.
- For candidates who choose the 'float' option, allocation of a seat in an institute of his/her higher preference would automatically result in the forfeiture of the seat accepted by him/her in the earlier round.
- Candidates offered seats have to remit seat acceptance fee only once. Thus candidates who are allotted another seat (because they chose the 'float' option) do not have to pay seat acceptance fee again.

- For candidates who accept offered seat, the seat acceptance fee will be adjusted against the institute fees of the admitting institute at the time of joining. For candidates who decline the offered seat after remitting the seat acceptance fee, the refund will be governed by the policies of the admitting institute.
- If a candidate has paid the seat accepting fee and opts for withdrawal either during the end of first round or before the end of second round, will get full refund after deducting the processing charges of Rs. 1500/-.
- Candidates do not have an option to withdraw an accepted/allotted seat after the announcement of last round of seat allocation.
